4.2.1

4.2 Library as a Learning Resource

4.2.1 Library is automated using Integrated Library Management System (ILMS), subscription to e-resources, amount spend on purchase of books, journals and per day usage of library

Response:

Library is an automated, fully air-conditioned with open access. Library offers a wide range of services from reference to electronic information services. With collection of more than 28000 documents as well subscription to all major newspapers, periodicals, publication and journals, technical as well as non-technical, national and international.

Library has a seating capacity of 300 users

The Library uses KOHA library management software, version 20.11.06.000

Following important modules are part of KOHA software

OPAC- The Online Public Access Catalogue module of the KOHA software allows library database searching by entering preferred terms and is mainly used for information retrieval

Patrons- With the help of Patron module, New patrons are added and barcoded library card issue to patron for circulation purpose

Cataloguing- In Koha the bibliographic record contains the main information related to the material. This includes things like the title, author, ISBN, etc. Once this information is saved, books are ready to circulate.

Serials- The serials module in Koha is used for keeping track of magazine, journals, newspapers and other items that come on a regular schedule.
.

Acquisitions- The Koha Acquisitions module provides a way for the library to record orders placed with vendors and manage purchase budgets.

Reports- Reports in Koha are a way to gather data. Reports are used to generate statistics, member lists, shelving lists, or any list of data in your database

Tools-With the help of Tool module library can make patron card, barcode for book and library card

Additionally, the software has an excellent Support and online updates system.

e-resources

The institute has updated modern e-library facility with more than 20 PCs with LAN & high-speed broadband internet connection where e-resources & e-documents can be searched within a short span of time. With the help of e-library students can easily obtain information about their courses & projects to enhance their knowledge.

For e-resources library subscribes to the membership for

N-List (National Library and Information Services Infrastructure for Scholarly Content) and

NDL (National digital Library)

The N-LIST provides access to e-resources to students, researchers and faculty from colleges. The authorized users from colleges can access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users

NDL (National digital Library)

National Digital Library of India (NDLI) is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community.

Regarding Annual expenditure of books and Journals-

Annual budget is prepare by Librarian with guidance of Principal Sir at the beginning of academic year

Requirement of books/non books material are prepared on following selection priorities as

i) Support the curriculum at all levels
ii) Support academic teaching needs
iii) provide popular materials as resources permit

Following is the annual expenditure of purchase of books/e-books and subscription to journals/e- journals
