CIRCULAR

Subject: Urgent Linking of Students' APAAR ID and ABC ID on the Samarth Portal

All Principals of Affiliated Colleges, Recognized Institutions, Heads of University Departments, Directors of University Institutions, Director (CDOE), and Coordinators of University Sub-Campuses are hereby informed that, as per the records available with the University, **17,800 students' APAAR IDs and ABC IDs are yet to be linked** by the respective Colleges/Institutions. The **list of concerned Colleges/Institutions is enclosed** for ready reference.

The non-linking of APAAR ID and ABC ID may adversely affect students' academic records, Academic Bank of Credits (ABC), credit transfer, generation of academic documents, examination-related processes, and other academic services under the National Education Policy (NEP-2020).

Despite repeated communications and the necessary technical guidance provided by the University, a considerable number of Colleges/Institutions are yet to complete the linking process. Such delay reflects a lack of due attention towards this important academic requirement.

In view of the above, all concerned Colleges/Institutions are hereby **directed to complete the linking of APAAR ID and ABC ID of all pending students on a priority basis** and ensure that no eligible student's record remains pending.

It is further informed that **the generation of Hall Tickets and other examination-related processes are integrated with the University examination system. If a student's APAAR ID and ABC ID remain unlinked in the University system, it may lead to difficulties or delays in processing examination-related services. The concerned College/Institution shall be solely responsible for any inconvenience caused to students due to non-compliance with these instructions.**

The University has already issued the necessary guidelines and provided technical support regarding the linking process. Therefore, all Colleges/Institutions are advised to verify the enclosed list of pending cases and complete the required mapping on the Samarth Portal **immediately**.

This matter shall be treated as MOST URGENT. Any negligence or non-compliance with these directions will be viewed seriously by the University, and appropriate action, as deemed fit, may be initiated against the defaulting College/Institution.
