REPORT

7.1.4 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 500 words).

Response :

Institutional efforts for Cultural Diversity Activities

Institute celebrates Indian cultures such as Diwali, Dasher, 'Eid, Christmas, Holi, etc. it is cultural efforts for inclusive harmony of Indian. HEI carried out know our cultural programmer throughout academic year. Know Our Culture initiatives has been taken to carry out cultural diversity. It shows the cultural efforts for inclusive harmony in society. Cakes prepared by HS and CA department and distributed to society is an efforts for inclusive harmony in society. Sweets prepared by HA and CA department and distributed to society is an effort for inclusive harmony in society. All this initiatives were taken by TSDC to promote the understanding of unique cultural and ethnic heritage. To promote the development of culturally responsible and responsive curricula. To facilitate acquisition of the attitudes, skills, and knowledge to function in various cultures. To eliminate racism and discrimination in society. Fostering inclusion and awareness around multicultural education and taking a culturally responsive approach to teaching benefits all students.

Institutional efforts for Communal Diversity Activities

Among the stakeholders like students and staff belongs to various community, religion. Institutional effort seems that students and staff represent 'Mini India' as communal representation. The main objective of conducting many more activities related to communal diversity is working to make the people aware from various problems in a community. It helps them to provide knowledge and to know about the main causes affects their social life. Community program is interested in all aspects of a community. The development is necessary in these places as a whole in education, health, recreation and employment. TSDC seeks the opportunities for the better living standard of the community people. Development is required in all sectors of the community. Activities such as Orientation on Citizen to Netizen, District Level webinar on Gender Awareness, Webinar: Breast Cancer Awareness, Sweet Distribution Drive, Cloth Donation Drive, Fire Safety Training and many more activities has been conducted.

Institutional efforts for Regional & Linguistic Diversity Activities

The Zagdu Singh Charitable Trust is linguistic minority status trust. It shows the institutional efforts to cater the educational facilities to linguistic minority students. HEI provides 50% admissions reservations (as per government under linguistic minority) for linguistic minority students. Rests of 50% admission are for reservation categories students, as per government regulation. TSDC has conducted many activities based on regional & linguistic diversity.

Thakur Shyam Narayan Degree College
 80ft Road, Thakur Complex,
 Kandivall (E), Mumbai - 400 101.

HEI observed birth anniversary and death anniversaries of Indian Social Reformers. TSDC has taken the initiatives in the celebration of the national commemorative days. Being one of the key characteristics of diversity, regional diversity is an indication of each person's uniqueness from a certain area. Regional Diversity Activities refers to the differentiation of various communities, gender, ethnicity and more.

Institutional efforts for Socio Economic Diversity Activities

Visit to old age home, distribution of clothes, sweet to slums, blood donation, vaccination drive for society, Raksha Bandhan for covid-19 warriors and many more such socio-economic activities were conducted. Socioeconomic development is inevitable, and unexpected problems often emerge, therefore this initiatives has been taken to cope up with such types of problems.

Institutional efforts for the conduct of Human Values, Rights & Duties Activities

Thakur Shyamnarayan Degree College has been committed to educating our students as constitutionally aware citizens sensitized to their Fundamental Rights and Duties. Various programmes and activities are organised both by departments as well as societies.

Quality education in higher educational Institutions includes teaching and learning about the ideals that society considers important. The objective of the students is not only to recognize the values but also to reflect them in their behaviour and attitudes.

The IQAC and Department of Management Studies (BMS) have organized a National level webinar on Human Values and Anger Management.

The National Service Scheme (NSS) unit of Thakur Shyamnarayan Degree College is dedicated to creating a 'sense of patriotic commitment' for national development. TSDC has an active NSS unit where students engage in community service programmes.

The Information Technology Department has conducted a University level webinar on Human values. The webinar was intended to develop a set of beliefs, attitudes and habits that students should display concerning morality.

The Hotel Management Department had conducted a University level webinar on human values, which was highly appreciated by the students.

A quality based education consequently helps in upgrading the individual's growth which in turn endorses the growth of the nation. Hence, the Department of Microbiology had organized a District Level quiz Competition on Human Values to enable students to apply their awareness and knowledge on human values.

To promote the values of honesty, integrity and professional ethics, the Information and technology Department has organized University level webinars on Human values. International Yoga Day has been observed by the college through sessions on 'Yoga' organised by the BAMMC Department and a training session on Yoga for faculty of the College.

In October 2021, the Computer Science Department of the College conducted a University level webinar on Humanity after the Pandemic of COVID-19. This programme gave students an insight into the responsibility of every citizen to contribute towards betterment of the society.

Kandivalli (E), Mumbai - 400 101.

The guiding social aims and beliefs which are regarded as the important aspects of a culture, and the ideas lying behind which they think worthwhile, are called as values. To foster the betterment of society, the Department of Microbiology (Interdisciplinary) had organized a district level quiz competition on Human Values.

The objective of quality education is to enable students to apply and analyze their level of understanding. Hence, the NSS Unit of the College had organized a district level quiz competition on Human Values.

In order to create creativity among students, the DLLE and BAMMC Departments of the College have conducted Storytelling Competitions on Human values. The Computer Science Department had organized a National Level Webinar on Humanity after the Pandemic.

The College has made an attempt to help students to gain a broad perspective of the utility of human values for them, by conducting a one month Certificate Course in Universal Human Values. With this objective in mind, the IQAC and BAMMC department had conducted a University level webinar on Significance & Utility of Human Values.

REGIONAL DAY

Date: 10th March, 2022
No. of Beneficiaries : 300

Highlights: Students enthusiastically participated and enjoyed the Day with unforgettable memories. The reason of celebrating regional day is that students get to know Indian culture, Tradition that has different religions and cultures, to show togetherness, unity of each one. Regional Day is Celebrated. There is no discrimination between any of religions and cultures being an Indian we come United and being modern staying with roots is true humanity. We had a welcome song and a welcome performance of Bharatnatyam. There was also a skit performed by some students that gave a message of Equality in our nation. There were several dance performances on different Indian regions like Punjabi, Bengali, Rajasthani, UP, Maharashtra, Goan. There was also a felicitation for the best dressed teacher as well, to motivate and encourage them too.

Internal Quality Assurance Cell (IQAC) & Department of BMS In Association with

Surya Namskar Pledge & Video making competition

Internal Quality Assurance Cell [IQAC] &
Department of Lifelong Learning & Extension [DLLE]

Celebrates

(Under the Guidelines of Ministry of Ayush, Government of India)

Date: 20th Jan 2022

No. of Participants/ Beneficiaries:

Highlights: This festival comes as a thanksgiving to Mother Nature for spreading health, wealth and happiness around. It is important to mention here that Surya Namaskar is a set of asanas in a combination of 12 steps. These steps comprise 8 asanas in which 4 asanas are repeated. All the 12 steps are to be done in a chronological manner in order to complete the process of one round of Surya Namaskar. IQAC & Department of Lifelong Learning and Extension [DLLE] of ZSCT's Thakur Polytechnic, Thakur Shyamnarayan Degree College also contributed in this mohotsav by enrolling many students in taking the suryanamaskar pledge. Students actively participated in this initiative and gave a positive response for the same.

Highlights: The aim of this competition was to bring light to the minds of the students and see what they had in mind. The participants were expected to write an essay of approximately 500 to 1000 words, on the topic work from home opportunities of women. It was a physical competition which was held in one of the classrooms and the time limit was 50 minutes. Surprisingly quite a few students registered to show off their literary skills. The winners of this competition were felicitated on International Women's Day. The gold medalist certificate went to Mr. Pratham Shah of SYBMS department, followed by Ms. Virali Tiwari of SYBMS who won a Silver medalist certificate, whereas, Ms. Sejal Pal of TYBMS won a bronze medalist certificate. All the essays were judged by the faculty members and the best ones were chosen. The students mentioned great opportunities for women and overall it was an event that shed a great light over this topic.

CERTIFICATE COURSE IN UNIVERSAL HUMAN VALUES

CERTIFICATE COURSE IN UNIVERSAL HUMAN VALUES

DESIGNED BY

MS. AISHWARYA AJAYA KUMAR

ASSISTANT PROFESSOR,

MICROBIOLOGY ID

In JIAC & TSCT's Thakur Shyamnarayan Degree College

Course overview:

This certificate course offers Certificate in Universal Human Values which will help the students to explore oneself and others, use to experience the joy of learning, stand up to peer pressure, take decisions with courage, be aware of relationships with colleagues and be sensitive to others, etc.

The Universal Human Values component, which acts as an anchor, develops awareness and sensitivity, feeling of equality, compassion and concern, showing attention to society and others, and classroom to follow through. It also makes them reflect on their relationship with their families and extended family in the college (with hostel staff and others). It also connects students with each other and with teachers so that they can share any difficulty they might be facing and seek help.

This module in Universal Human Values provides the best methodology of teaching this content is extremely important. It is not through didactic and drill, but getting students to explore and find.

Course Summary: The certificate program is of 1 month duration. The course is offered through an online Google classroom mode, thereby allowing the candidates to pursue it from any part of the world. Interested candidates can even complete the course before the stipulated time frame. We provide the notes and videos of each module on Google Classroom.

Course Title:	Universal Human Values
Course Objectives:	- To help the student to see the need for developing a holistic perspective of life. - To provide the student about the scope of life - individual, family, interpersonal relationships, society and environment. - Developing self-reflection. - To develop more confidence and commitment to understand, learn, and act accordingly.
Course Outcomes:	- By the end of the course, students are expected to become more aware of themselves, and their surroundings (family, society, values). - They would become more responsible in life, and in handling problems with matured solutions, while keeping human relationships and environment in mind. - They would have better critical ability. They would also become sensitive to their environment towards what they have understood (character values, human relationship and human society). - It is hoped that they would be able to apply what they have learnt in their own self to different day-to-day settings in real life, at least a beginning would be made to follow direction.
